

Lima.

LEARNING INTELLIGENT MODULAR ASSISTANT

A computer monitor displaying the Lima application interface. The top bar shows 'Lima.' and the user's name 'Manuel'. The main content area includes a search bar, a welcome message 'Bentornato, Manuel!', a notification about a tutor message, a 'Riprendi dall'ultima sessione' button, a sidebar with 'NOTIFICHE' and 'Appuntamenti', a calendar for September, and a table titled 'Appunti' showing scheduled meetings. Below this is a section titled 'Corsi attivi' (Active Courses) showing progress bars for various modules like 'Urbanistica II' (50%), 'Pianificazione territoriale' (75%), 'Economia urbana' (80%), 'Geografia urbana' (50%), 'Sociologia del territorio' (40%), 'Estimo' (50%), 'Analisi ambientale' (50%), and 'Diritto urbanistico' (30%). A keyboard and mouse are visible in the foreground, indicating the setup.
